Education

Medical College of Wisconsin, MD

Valparaiso University, B.S., *magna cum laude*

Dr. Ann Schwartz is a medical consultant and a board-certified psychiatrist, recognized by the American Board of Psychiatry and Neurology in both psychiatry and consultation-liaison psychiatry. Additionally, she is board-certified in addiction medicine by the American Board of Preventive Medicine.

Dr. Schwartz is a professor of psychiatry at Emory University in Atlanta, where she is the director of residency education and the vice chair for education in the Department of Psychiatry and Behavioral Sciences at the Emory University School of Medicine. She holds several key leadership roles at Grady Memorial Hospital, a large public hospital and primary teaching site for Emory. She has been part of the Emory community since 1996, beginning her internship and residency in psychiatry at Emory University Affiliated Hospitals.

Dr. Schwartz earned her medical degree from the Medical College of Wisconsin after receiving her undergraduate degree from Valparaiso University.
