On Demand Webinar - Top 5 HR Threats In Trucking and How to Avoid Them

INSIGHTSWEBINAR

DECEMBER 8, 2025

Managing a trucking company means balancing many roles. Too often, HR goes overlooked until it becomes a problem.

Join us for a webinar with Shareholder [Doug Marcello](#) from our Trucking and Commercial Transportation group, Senior Counsel and HR Advisor [Laura Bailey Gallagher](#), and HR Consultant [Marissa Cannon](#) from our affiliate company [TREW HR](#), for an engaging conversation on managing HR risk in small trucking companies.

Whether you have a few trucks or a growing fleet, you'll walk away with clear, practical tips to stay compliant and mitigate risk. In under 45 minutes, we'll cover the top HR issues impacting fleets of 10-30 drivers, including:

- Promoting and practicing policy consistency
- Documenting diligently and decisively
- Managing medical information mindfully
- Preventing harassment and misconduct
- Enhancing driver engagement and satisfaction

Who Should Attend

- Owners and executives of small-to-mid-sized trucking companies (10-30 drivers)

- Operations managers and dispatchers with HR responsibilities
- Insurance or legal professionals who support small fleets
- Anyone in trucking leadership who doesn't have dedicated HR support—but knows they need it
