Legal Considerations When Starting a Business

BY: [KATHERINE PANDELIDIS GRANBOIS](#) | [INSIGHTS](#) | [ARTICLE](#)

MARCH 31, 2021

Starting a business is a complex venture. In the formation stage of starting your business, there are a number of choices you must make pertaining to entity type (i.e. sole proprietorships, LLCs, partnerships, corporations), name, licensure, insurance and contracts. In the document below, Kathy Pandelidis Granbois, Esq. summarizes vital legal factors to consider in order to set your business up for success from the beginning.
