Saxton & Stump Hires Senior Trial Technology Consultant

FIRM NEWSPRESS RELEASE

DECEMBER 15, 2016

Lancaster County, PA, December 15, 2016 – Saxton & Stump is pleased to welcome [Jack R. Lynch](#) to the firm's Lancaster office. Jack joins Saxton & Stump as a Senior Trial Technology Consultant. In this role, he will provide support to our lawyers by determining the best way to prepare and display critical evidence and exhibits through trial technology. He will also assist with internal IT issues and support the firm's strategic partner, SE Healthcare Quality Consulting, with their marketing activities.

Jack brings nearly 10 years of trial technology and on-site trial support to the firm. He most recently served as a Senior Trial Consultant for Precise, Inc., in Philadelphia, PA. He has consulted with lawyers in hundreds of trials and

arbitrations both nationally and internationally. Jack is proficient in trial technology programs including Trial Director, Concordance and Summation and has a thorough understanding of audio engineering, video production, video conferencing, equipment care and graphic design. He received a B.S. in Media Communication and Technology from East Stroudsburg University where he served as president of the Television Club, a campus camera operator and freelance videographer.

“Jack has been involved with many high profile trials throughout the country. He adds to our depth and breadth of our trial resources. He is a welcomed addition,” said James W. Saxton, CEO.

Based in Pennsylvania, Saxton & Stump, LLC is a legal and consulting firm focused on representing and supporting health care professionals and other businesses. The firm represents their clients in litigation and provides risk mitigation, patient safety and other health care legal and consulting services. This includes representation in medical staff and professional board matters, captive and insurance issues, as well as mediation services in health care reimbursement and ACO matters. In addition to a team of lawyers and paralegals, the firm employs physicians, nurses, psychologists, physician reimbursement specialists and health policy thought leaders.
