Kevin Mosser, MD Joins Saxton & Stump as Senior Medical Consultant

FIRM NEWSPRESS RELEASE

FEBRUARY 1, 2019

Lancaster, PA, February 1, 2019 - [Saxton & Stump](#), a Pennsylvania-based law firm, is pleased to announce that [Kevin H. Mosser, MD](#) has joined the firm as a senior medical consultant. Dr. Mosser is the immediate past president and CEO of WellSpan Health, an integrated health system comprised of eight hospitals, more than 1,000 physicians, and over 200 ambulatory sites that serves the communities of central PA and northern MD. Dr. Mosser is a dynamic leader in the health care industry, previously serving in leadership roles that span the entire health system. Most recently, Dr. Mosser assumed the position of president and chief executive officer. Over a period of five years, Dr. Mosser seamlessly integrated four new organizations into WellSpan and increased organizational growth from 1.2

billion dollars to 2.9 billion dollars.

Over the last 30 years, Dr. Mosser has served in various positions associated with WellSpan Health. As a board-certified family physician, he has served as a practitioner and in leadership roles throughout WellSpan's medical group, hospitals, medical education programs, and preferred provider organization. These positions include as the executive director of York Health System Medical Group which became WellSpan Medical Group; the president of WellSpan Gettysburg Hospital; and the executive vice president and chief operating officer overseeing various hospitals within the system and system-wide clinical programs.

"Dr. Mosser has had an extraordinary career at Wellspan and within the healthcare field," said [James W. Saxton](#), CEO of Saxton & Stump. "The wealth of experience and expertise that he brings to the firm will be invaluable to our attorneys and our clients."

While serving as executive vice president and chief operating officer, Dr. Mosser provided senior executive oversight to WellSpan York Hospital, WellSpan Gettysburg Hospital, the WellSpan Medical Group, WellSpan Specialty Services, and system-wide clinical programs.

Previously, Dr. Mosser led WellSpan Gettysburg Hospital in improving service, quality, and efficiency. During his time with WellSpan Gettysburg Hospital, the hospital was named as a "Top 100 Performance Leader" by Thomson Healthcare for two consecutive years.

Dr. Mosser earned his bachelor's degree in biochemistry with distinction from the University of Pennsylvania and a medical degree from the University of Pennsylvania School of Medicine. He completed his residency in family medicine at York Hospital.
