Saxton & Stump Expands Healthcare Law Services, Adds Seasoned M&A Attorney John M. Hogan

FIRM NEWSPRESS RELEASE

MARCH 19, 2019

LANCASTER, Pa., March 19, 2019 — Saxton & Stump, a Pennsylvania-based law firm, has expanded its Healthcare Law services with the addition of attorney [John M. Hogan](#), who will also serve as Chair of the firm's [Corporate Healthcare and Life Sciences Group](#). John has national experience assisting physicians, hospitals, rehabilitation facilities, laboratories, medical equipment providers, surgery centers, urgent care centers and other healthcare providers with mergers and acquisitions, divestitures (including strategic transactions with

private equity-backed and other national acquirers), strategic alliances and joint ventures. John also provides similar services to healthcare-related businesses such as providers of veterinary services.

“John is well known in the healthcare industry and has an extremely active M&A practice,” said [James W. Saxton, CEO](#). “He has a deep understanding of the heavily regulated industry and will be a great leader for our Corporate Healthcare and Life Sciences Group.”

John is accomplished in handling the challenges facing healthcare due to the complexity and regulation of the industry. He works with buyers and sellers of healthcare facilities to address the difficulties involved in structuring and consummating healthcare transactions to promote the delivery of efficient, cost-effective and sustainable services and to provide better care to patients.

John has represented clients across the country, regularly navigating state-specific rules and regulations relating to healthcare mergers and acquisitions. He walks his clients through all stages of these transactions from structuring to negotiation and closing.

[Saxton & Stump](#) is a full-service law firm serving businesses by providing legal and consulting services. We apply strategic solutions and provide problem-solving support to help our clients navigate legal issues and thrive in an increasingly complex world.
