What Constitutes Sexual Harassment in the Workplace?

FIRM NEWSPRESENTATION

MAY 2, 2019

[Richard L. Hackman, Esq.](#) spoke recently during an [ABC Keystone employment law](#) seminar on what employers need to understand about sexual harassment in the workplace. Rick provided attendees with an overview of what can be defined as sexual harassment in the workplace to allow employers to better address and prevent the issue. During this segment, Rick explains where the line is drawn and provides guidance to help employers understand when that line has been crossed.
