Admissions

Pennsylvania

Kay Mercein Mann is a member of the firm's Investigations and Criminal Defense, Title IX, and Education groups. Kay has 20 years of experience as general counsel of a large manufacturing company. She is a strategic thinker and problem solver. Kay's broad area of experience includes counseling businesses, successfully handling commercial litigation, forcefully defending school districts in tax assessment appeals and other complex business law and education law matters. A Yale University and New York University School of Law graduate, Kay also has completed the 40-hour mediation training to work with Advoz of Lancaster County.
