PRACTICES

- Healthcare Litigation and Mitigation
- Medical Device Litigation

EDUCATION

- The PJA School, A.S. in Legal Studies

EXPERIENCE

Katherine McSorley brings nearly 15 years of paralegal litigation experience to Saxton & Stump. She provides support to trial and associate attorneys in the discovery phases of litigation defense, including expert retention, deposition preparation, medical records retention, case management, coordination of document production, discovery responses and medical research.

Prior to joining Saxton & Stump, Kate worked for law firms in the Philadelphia region assisting with legal research, factual investigation, medical records, deposition summaries and trial preparation.
